16               “(B) REPORT.—Not later than two years  
17               after the date of the enactment of the State  
18               Opioid Response Grant Authorization Act of  
19               2021, the Comptroller General of the United  
20               States shall submit to the Committee on Health,  
21               Education, Labor, and Pensions of the Senate  
22               and the Committee on Energy and Commerce of  
23               the House of Representatives a report that—

1                   “(i) assesses how grant funding is allo-  
2                   cated to States under this section and how  
3                   such allocations have changed over time;

4                   “(ii) assesses how any changes in fund-  
5                   ing under this section have affected the ef-  
6                   forts of States to address opioid or stimu-  
7                   lant use or misuse; and

8                   “(iii) assesses the use of funding pro-  
9                   vided through the grant program under this  
10                  section and other similar grant programs  
11                  administered by the Substance Abuse and  
12                  Mental Health Services Administration.

13                  “(4) USE OF FUNDS.—Grants awarded under  
14                  this subsection shall be used for carrying out activi-  
15                  ties that supplement activities pertaining to opioid  
16                  and stimulant use and misuse, undertaken by the  
17                  State agency responsible for administering the sub-  
18                  stance abuse prevention and treatment block grant  
19                  under subpart II of part B of title XIX of the Public  
20                  Health Service Act (42 U.S.C. 300x–21 et seq.), which  
21                  may include public health-related activities such as  
22                  the following:

23                  “(A) Implementing prevention activities,  
24                  and evaluating such activities to identify effec-  
25                  tive strategies to prevent substance use disorders.

1               “(B) Establishing or improving prescrip-  
2               tion drug monitoring programs.

3               “(C) Training for health care practitioners,  
4               such as best practices for prescribing opioids,  
5               pain management, recognizing potential cases of  
6               substance use disorders, referral of patients to  
7               treatment programs, preventing diversion of con-  
8               trolled substances, and overdose prevention.

9               “(D) Supporting access to health care serv-  
10               ices, including—

11               “(i) services provided by federally cer-  
12               tified opioid treatment programs;

13               “(ii) outpatient and residential sub-  
14               stance use disorder treatment services that  
15               utilize medication-assisted treatment, as ap-  
16               propriate; or

17               “(iii) other appropriate health care  
18               providers to treat substance use disorders.

19               “(E) Recovery support services, including—

20               “(i) community-based services that in-  
21               clude peer supports;

22               “(ii) mutual aid recovery programs  
23               that support medication-assisted treatment;

24               or

1                   “(iii) services to address housing needs  
2                   and family issues.

3                   “(F) Other public health-related activities,  
4                   as the State, Indian Tribe, Tribal organization,  
5                   or Urban Indian organization determines appro-  
6                   priate, related to addressing substance use dis-  
7                   orders within the State, Indian Tribe, Tribal or-  
8                   ganization, or Urban Indian organization, in-  
9                   cluding directing resources in accordance with  
10                  local needs related to substance use disorders.

11                 “(c) ACCOUNTABILITY AND OVERSIGHT.—A State re-  
12                 ceiving a grant under subsection (b) shall include in report-  
13                 ing related to substance use disorders submitted to the Sec-  
14                 retary pursuant to section 1942 of the Public Health Serv-  
15                 ice Act (42 U.S.C. 300x–52), a description of—

16                 “(1) the purposes for which the grant funds re-  
17                 ceived by the State under such subsection for the pre-  
18                 ceding fiscal year were expended and a description of  
19                 the activities of the State under the grant;

20                 “(2) the ultimate recipients of amounts provided  
21                 to the State; and

22                 “(3) the number of individuals served through  
23                 the grant.

24                 “(d) LIMITATIONS.—Any funds made available pursu-  
25                 ant to subsection (i)—

1           “(1) notwithstanding any transfer authority in  
2       any appropriations Act, shall not be used for any  
3       purpose other than the grant program in subsection  
4       (b); and

5           “(2) shall be subject to the same requirements as  
6       substance use disorders prevention and treatment pro-  
7       grams under titles V and XIX of the Public Health  
8       Service Act (42 U.S.C. 290aa et seq., 300w et seq.).

9           “(e) INDIAN TRIBES, TRIBAL ORGANIZATIONS, AND  
10      URBAN INDIAN ORGANIZATIONS.—The Secretary, in con-  
11      sultation with Indian Tribes, Tribal organizations, and  
12      Urban Indian organizations, shall identify and establish  
13      appropriate mechanisms for Indian Tribes, Tribal organi-  
14      zations, and Urban Indian organizations to demonstrate or  
15      report the information as required under subsections (b),  
16      (c), and (d).

17           “(f) REPORT TO CONGRESS.—Not later than Sep-  
18      tember 30, 2024, and biennially thereafter, the Secretary  
19      shall submit to the Committee on Health, Education, Labor,  
20      and Pensions of the Senate and the Committee on Energy  
21      and Commerce of the House of Representatives, and the  
22      Committees on Appropriations of the House of Representa-  
23      tives and the Senate, a report that includes a summary of  
24      the information provided to the Secretary in reports made  
25      pursuant to subsections (c) and (e), including—

1           “(1) the purposes for which grant funds are  
2 awarded under this section;

3           “(2) the activities of the grant recipients; and

4           “(3) for each State, Indian Tribe, Tribal organi-  
5 zation, and Urban Indian organization that receives  
6 a grant under this section, the funding level provided  
7 to such recipient.

8           “(g) TECHNICAL ASSISTANCE.—The Secretary, includ-  
9 ing through the Tribal Training and Technical Assistance  
10 Center of the Substance Abuse and Mental Health Services  
11 Administration, shall provide States, Indian Tribes, Tribal  
12 organizations, and Urban Indian organizations, as appli-  
13 cable, with technical assistance concerning grant applica-  
14 tion and submission procedures under this section, award  
15 management activities, and enhancing outreach and direct  
16 support to rural and underserved communities and pro-  
17 viders in addressing substance use disorders.

18           “(h) DEFINITIONS.—In this section:

19           “(1) INDIAN TRIBE.—The term ‘Indian Tribe’  
20 has the meaning given the term ‘Indian tribe’ in sec-  
21 tion 4 of the Indian Self-Determination and Edu-  
22 cation Assistance Act (25 U.S.C. 5304).

23           “(2) TRIBAL ORGANIZATION.—The term ‘Tribal  
24 organization’ has the meaning given the term ‘tribal  
25 organization’ in such section 4.

1           “(3) STATE.—The term ‘State’ has the meaning  
2       given such term in section 1954(b) of the Public  
3       Health Service Act (42 U.S.C. 300x–64(b)).

4           “(4) URBAN INDIAN ORGANIZATION.—The term  
5       ‘Urban Indian organization’ has the meaning given  
6       such term in section 4 of the Indian Health Care Im-  
7       provement Act.

8           “(i) AUTHORIZATION OF APPROPRIATIONS.—

9           “(1) IN GENERAL.—For purposes of carrying out  
10      the grant program under subsection (b), there is au-  
11      thorized to be appropriated \$1,750,000,000 for each of  
12      fiscal years 2022 through 2027, to remain available  
13      until expended.

14           “(2) FEDERAL ADMINISTRATIVE EXPENSES.—Of  
15      the amounts made available for each fiscal year to  
16      award grants under subsection (b), the Secretary shall  
17      not use more than 20 percent for Federal administra-  
18      tive expenses, training, technical assistance, and eval-  
19      uation.

20           “(3) SET ASIDE.—Of the amounts made avail-  
21      able for each fiscal year to award grants under sub-  
22      section (b) for a fiscal year, the Secretary shall—

23                  “(A) award 5 percent to Indian Tribes,  
24              Tribal organizations, and Urban Indian organi-  
25              zations; and

1           “(B) of the amount remaining after appli-  
2       cation of subparagraph (A), set aside up to 15  
3       percent for awards to States with the highest  
4       age-adjusted rate of drug overdose death based on  
5       the ordinal ranking of States according to the  
6       Director of the Centers for Disease Control and  
7       Prevention.”.
